This is not a permit, only an application for one. Permit review fee is \$115.00 payable to North River Fire District. No work shall begin until permit for work is issued by this office and is posted on the job site. Any problems noted or the required re-submittal of plans will be outlined in a comment letter to your above listed address.

Schedule inspections or acceptance test at least two working days in advance

Your office will be called when permit is ready for pick up.
