

NORTH RIVER FIRE DISTRICT

Bureau of Fire Prevention and Investigations Office of the Fire Marshal

January 10, 2020

Per your request for hydrant data:

As of January 2020, we will no longer provide fire hydrant flow reports or perform hydrant testing by request. Please be advised, as an Engineering Company you are allowed to conduct your own test on fire hydrants. In addition, our presence is not required for any testing you perform on the hydrant. However, we do request that you submit the testing data to Fire Marshal Andrell Miller at the following email address millera@nrfd.org.

Respectfully,

Andrell Miller 
Fire Marshal
